About Us

Modern Apparels is an eminent company which has been providing quality and novel fire protection gear for over 25 years. Our company is recognized worldwide as manufacturer, supplier and exporter of Fire Proximity Suits, Fire Entry Suits, Coveralls, Coveralls, Turn Out Gears, Arc Protection Apparels, Fire Blankets, Retardant Garments, Gloves, Other Heat Protective Products, etc. The products are renowned across industries for being electrically non-conductive and non-corrosive.

Our products have enabled us to fetch accolades both in India and across the globe. Also, we are the first and the only company in the entire Asia to develop Water Gel Blanket for the Directorate of Indegenisation (D.O.I.) cell of Indian Navy. We had also developed Aluminised Fire Proximity Suit for Indian Navy in 1987, and have been the sole supplier to the Indian Navy since then.
